

# Band Instrument Work Shops

SOUND WAVE RE-ARRANGING-Hands On  
45min. -1hr.

\* optimum size=15-20

workshops for all sized groups are provided, but due to time limitations not everyone will be able to participate.

- I. Play original piece of music with students seated up close
- II. Explain Sound Waves & Electric Violin Pick Ups
- III. Demo Sound Effects & Looping of Electric Violin, Voice, & Hand Drum Pad
- IV. Students will try sound effects & looping of  
their own instruments & or the electric violin, percussion, hand drum pad,  
& voice (microphones)
- V. Topics to be discussed
  - A. Basic practice ideas for any instrument
  - B. Thinking "out of the box" & experimenting
  - C. My writing process
  - D. Inspirational story & Einstein quote

\*These activities foster creative thinking & stimulate the imagination regardless of musical ability
